v.

*a Washington corporation, and DOES 1-10,*

*Defendants.*

Civil Action No. 1:17-cv-01296

ECF Case

**JURY TRIAL DEMANDED**

**COMPLAINT**

Plaintiff Tianhai Lace USA Inc. (“Plaintiff” or “Tianhai”), by and through its attorneys, Leason Ellis LLP, for its Complaint against Nordstrom, Inc. (“Nordstrom”), and Does 1-10 (collectively “Defendants”) on personal knowledge as to Tianhai’s own activities and on information and belief as to the activities of Defendants, allege the following:

**NATURE OF THIS ACTION**

1. This is a civil action for (i) willful copyright infringement in violation of 17 U.S.C. § 101 *et seq.*, (ii) vicarious and/or contributory copyright infringement under federal common law, and (iii) unfair competition under New York common law. Plaintiff is the copyright owner of original works of art for use as lace designs to be incorporated into wearing apparel. Defendants use Tianhai’s lace designs in connection with Defendants’ promotion and

sale of products throughout the United States and such use constitutes an unauthorized reproduction, display, distribution, publication and utilization of the designs. Tianhai seeks, *inter alia*, injunctive relief prohibiting further infringement of its rights to the designs, an award of damages compensating Tianhai for the unauthorized use, and the costs of the action awardable under 17 U.S.C. § 505.

### **THE PARTIES**

2. Plaintiff Tianhai Lace USA Inc. is a New York corporation with its principal place of business at 152 Madison Avenue, Suite 1103, New York, NY 10016.

3. Defendant Nordstrom is a corporation organized under the laws of Washington with offices at 1600 Seventh Avenue, Seattle, Washington 98101.

4. Currently, the names and identities of Does 1-10 are unknown to Plaintiff. Plaintiff reserves its rights to timely seek leave of the court to amend this pleading upon ascertaining the true names and identities of Does 1-10.

### **JURISDICTION AND VENUE**

5. This Complaint alleges causes of action under the Copyright Laws of the United States, Title 17 of the United States Code and claims of unfair competition under New York state law.

6. This Court has subject matter jurisdiction over this claim pursuant to 28 U.S.C. §§ 1331, 1338 and 2201 as well as under Title 17 of the United State Code. Supplemental jurisdiction for the state law claims of unfair competition is proper pursuant to 28 U.S.C. § 1367 and 28 U.S.C. § 1338(b) because this claim forms part of the same case or controversy as the claims for copyright infringement.

7. This Court has personal jurisdiction over Defendants because: (1) Defendants have committed, and continue to commit, acts of infringement in the Southern District of New

York through solicitation of business, advertising and sale of products online, and on information and belief in retail stores in this district; (2) Defendants have purposefully directed their infringing conduct toward New York residents, which caused and continues to cause harm to Plaintiff (a New York corporation); and (3) Defendants purposefully directed their activities toward the Southern District of New York when they willfully infringed Plaintiff's intellectual property rights, knowing that Plaintiff has a principal place of business in this District.

8. Venue is proper in this District pursuant to 28 U.S.C. §§ 1391(b) and 1400(a) in that Defendants have committed acts of infringement in this district and are subject to personal jurisdiction in this District.

### **FACTS COMMON TO ALL COUNTS**

#### **Tianhai's Copyrighted Lace Designs**

9. Tianhai is a prominent designer and distributor of lace fabric and has been for many years. In conjunction with its co-authors, Tianhai has created new and innovative lace fabric designs for use in connection with women's apparel and, moreover, has developed a reputation as a source of high quality lace in the apparel industry. In order to ensure exclusivity, its designs are protected under the copyright laws.

10. Tianhai, with a corporate office on Madison Avenue in New York, primarily operates as the U.S. sales arm of a group of three sister companies (including non-parties Tianhai Lace Co. Ltd. ("TLC") and Tianhai Lace (Guangdong) Ltd. ("TLG")), all of whom collaborate on the creation, manufacture, and marketability of lace fabric designs. Tianhai, with the knowledge and consent of TLC and TLG, also operates as the U.S. enforcement arm of the operation in terms of procuring and protecting the group's intellectual property rights as well as policing infringement thereof.

11. Each lace fabric design that ultimately reaches the Tianhai showroom and sales organization in New York is assigned a unique pattern number used to identify the pattern internally and by customers. Tianhai's customers generally purchase lace from Tianhai to use in connection with the design, manufacture, and creation of women's apparel.

12. Tianhai's original lace designs, which are (and have been) sold throughout the United States and within this district, are the lifeblood of Tianhai's business. Indeed, it is the novelty, quality, and distinctiveness of its designs that sets Tianhai apart from its competitors.

**Tianhai's Enforcement Activities**

61. Tianhai learned that Nordstrom stores in the United States and this District were offering for sale and selling infringing garments, which prominently incorporated a lace design throughout the entire garment that was virtually identical, if not identical, to Tianhai's Pattern R8789 design.

62. Defendants' initial use of Tianhai's Pattern R8789 designs prior to September 2014 was without Tianhai's knowledge or permission.

63. Tianhai placed Nordstrom on notice of its infringement of Pattern R8789 by letter to Nordstrom's General Counsel on October 21, 2014.

64. Despite being on notice that it was currently infringing Tianhai's Pattern R8789 design, on information and belief, Tianhai learned that Nordstrom stores in the United States and this District were also offering for sale and selling infringing garments, which prominently incorporated a lace design throughout the entire garment that was virtually identical, if not identical, to Tianhai's Pattern A9146 design.

65. Defendants' use of Pattern A9146 design prior to May 2015 was without Tianhai's knowledge or permission.

67. Despite being on prior notice that it was currently infringing Tianhai's Pattern R8789 and Pattern A9146, on information and belief, Tianhai learned that Nordstrom stores in the United States and this District were also offering for sale and selling infringing garments, which prominently incorporated a lace design throughout the entire garment that was virtually identical, if not identical, to Tianhai's Pattern YY300 and Pattern YK451 designs.

70. Upon information and belief, with full and complete knowledge of Tianhai's copyrights discussed above, Defendants willfully infringed Tianhai's copyright in its Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs by copying them without Tianhai's permission, license, or consent.

71. Upon information and belief, Defendants did not purchase lace from Tianhai for use in the Infringing Products because, with full knowledge of Tianhai's copyrights, Defendants were manufacturing and/or purchasing unauthorized copies of Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs outside the United States or otherwise at a greatly reduced rate.

72. Upon information and belief, Defendants have committed the infringing acts complained of herein willfully and with conscious disregard for Tianhai's rights.

**First Claim for Relief**  
**Copyright Infringement under 17 U.S.C. § 101 et seq.**

75. Plaintiff repeats and realleges by reference each and every allegation contained in the paragraphs above.

76. Tianhai's Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs have never been dedicated to the public.

77. At all times pertinent to this Complaint, Plaintiff has been, and still is, an owner of all right, title, and interest in and to the Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs, including the copyrights therein. Tianhai has never assigned, licensed, or otherwise transferred any of these rights, including its copyrights, to Nordstrom; nor has Tianhai ever authorized Nordstrom to copy, distribute, or license the Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs.

78. Defendants have directly, vicariously, and/or contributorily infringed Tianhai's rights to the lace design protected by U.S. Copyright Registration Nos. VA 1-825-312 [R8789], VA 1-956-159 [A9146], VA 1-866-924 [YY300], and VA 1-866-920 [YK451] by reproducing, displaying, or distributing unauthorized copies of the designs in violation of 17 U.S.C. § 501 *et seq.*

79. Defendants either directly or indirectly, copied Tianhai's lace designs for their own commercial gain to the unjust exclusion of Tianhai.

80. By its acts complained of herein, Defendants have infringed the copyrights in the Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs in violation of §§ 106 and 501 of the U.S. Copyright Act, 17 U.S.C. § 101, *et seq.*

81. Defendants' infringement of Tianhai's rights in and to each of the copyrighted works each constitutes a separate and distinct act of infringement.

82. Upon information and belief, Defendants knew or should have known that their acts constituted copyright infringement.

83. Defendants' conduct was willful within the meaning of the Copyright Act.

84. Tianhai has been damaged by Defendants' conduct, including, but not limited to economic losses. Tianhai continues to be damaged by such conduct, and has no adequate remedy at law to compensate Tianhai for all the possible damages stemming from Defendants' conduct.

85. Because of the willful nature of Defendants' conduct, Tianhai is entitled to an award of statutory damages for each instance of copyright infringement by Defendants, in lieu of recovery of exemplary damages, attorney's fees, and all associated costs.

**Second Claim for Relief**  
**Unfair Competition under New York State Common Law**

86. Plaintiff repeats and realleges by reference each and every allegation contained in the paragraphs above.

87. Tianhai has gone to great expense in developing, promoting the sale of, and commercially exploiting its copyrighted Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs.

88. As a result of the expenditure of money and skill in the development and promotion of Tianhai's lace fabrics incorporating Tianhai's copyrighted designs, including the Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs, Tianhai's lace fabrics have acquired substantial market value. Moreover, this value has allowed Tianhai to build up substantial goodwill in the distinctive appearance of its lace designs, including its copyrighted Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs.

89. Consumers and the general public have come to associate products incorporating Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs as emanating exclusively from Tianhai or its customers.

90. The Infringing Products are likely to cause confusion to the general purchasing public as to the source of the lace designs incorporated therein.

91. The lace fabric incorporated in the Infringing Products was manufactured to lower quality standards than those of Tianhai. The use of lower quality lace has tarnished Tianhai's good name in the marketplace due to the perceived association between Defendants' lower quality goods being confused with Tianhai's goods.

92. Defendants, by their acts, have intentionally taken advantage of the knowledge and skill of Tianhai and of the goodwill developed by Tianhai, and has capitalized upon the market created by Tianhai for its distinctive lace designs.

93. The aforesaid acts of Defendants, in manufacturing, distributing, marketing, offering for sale and selling and/or causing to be manufactured, distributed, marketed, offered for sale and/or sold, the Infringing Products, constitutes inequitable conduct, unfair trade practices and unfair competition as defined by New York common law, and are likely to deceive and confuse Tianhai's customers and other apparel and retail distributors into believing that the Infringing Products are manufactured from lace fabric supplied by Tianhai or are sponsored by, licensed by, endorsed by or are otherwise associated with Tianhai.

94. Defendants' acts constitute misappropriation or attempted misappropriation of Tianhai's copyrighted designs and the goodwill and reputation which are associated therewith.

95. Defendants have misappropriated Tianhai's goodwill and the benefits of Tianhai's skill and expenditures in the development and design of Tianhai's Pattern R8789, Pattern A9146, Pattern YY300 and Pattern YK451 designs and by reason thereof have caused irreparable injury to Tianhai.

96. Tianhai's market has been reduced by Defendants conduct, which injury will continue as long as Defendants are not enjoined by this Court from further manufacturing,

distributing, marketing, offering for sale and selling and/or causing to be manufactured, distributed, marketed, offered for sale and/or sold, the Infringing Products in the United States.

97. Defendants have manufactured, distributed, marketed and/or sold the Infringing Products without authorization, license, or permission from Tianhai.

98. Defendants' acts have damaged Tianhai in an amount as yet unknown and may further damage Tianhai in such manner that Tianhai has no adequate remedy at law.
